

MADE WITH CRYPTON.

Crypton's patented technology is engineered into the fabric, encapsulating every fiber with stain, odor, and bacteria resistance. The breathable moisture barrier is permanently integrated into the fabric, ensuring a complete and proven performance system from the fibers up. Nothing can penetrate the fibers or the barrier. Crypton is tested, trusted, and guaranteed to be highly stain resistant and extremely easy to clean. Crypton Super Fabrics resist whatever life throws at them.

Specifications

Contents 100% Polyester
Width 54"

Performance

Stain Resistance, Class 4-5
Lightfastness AATCC 16, Class 4.0 after 40 Hours
Crock AATCC 8, Class 4.0 wet
Abrasion Resistance ASTM D 4157 Exceeds over 100,000 double rubs cotton duck
Suter AATCC 127, 100 cm average
Tear ASTM D 2261, 8.5 lbs. Warp, 6.5 lbs. Fill
Tensile ASTM D 5034, 128 lbs. Warp, 229.3 lbs. Fill
Resistance to Fungi AATCC 147-1998, Excellent Properties
Seam Slippage ASTM D 4034, 112 lbs. Warp, 165.3 lbs. Fill
Meets or exceeds all heavy-duty requirements for contract and residential upholstery fabric.

Flammability

Passes California 191-53 Technical Bulletin 117 Section E
Passes NFPA 260; UFAC Class 1
Meets or exceeds all heavy-duty requirements for contract and residential upholstery fabric.
